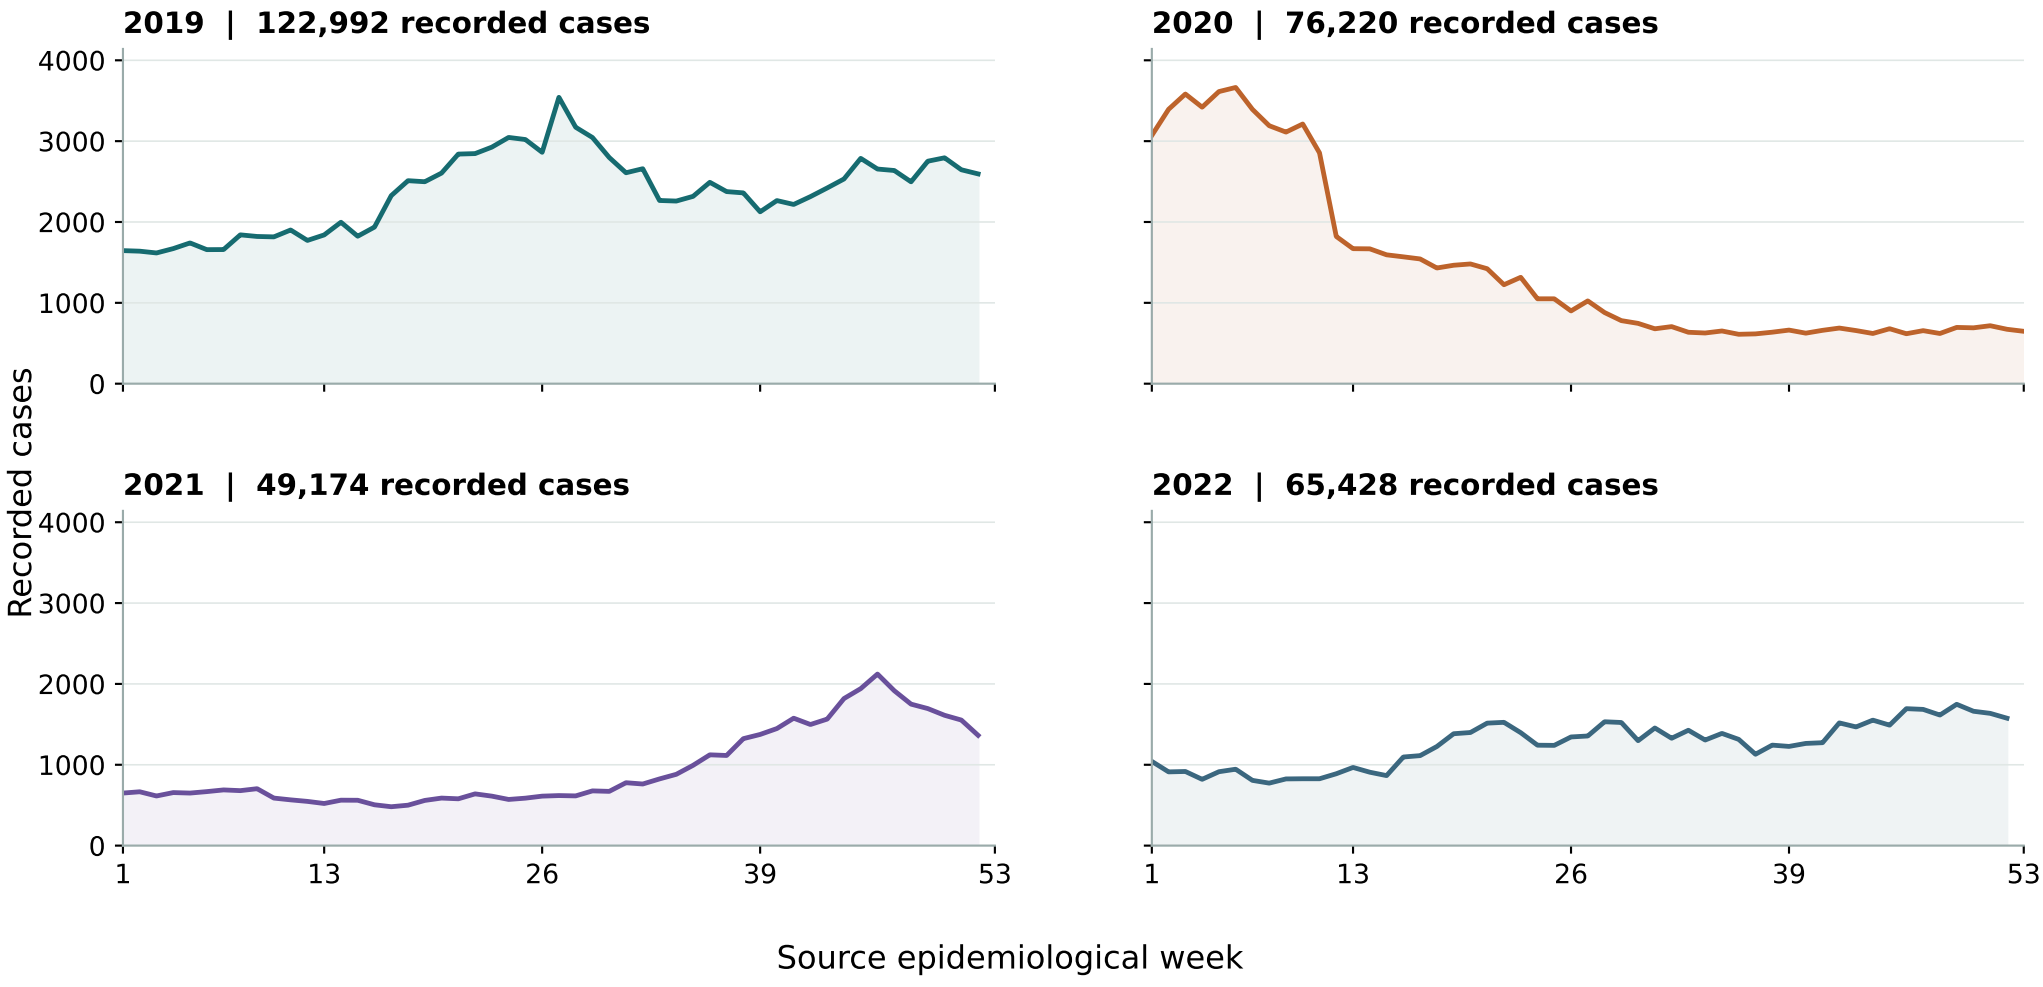
Dengue records across four surveillance years

Colombia · INS event 210 · Weekly sums of available department records



INS / Sivigila, datos.gov.co/4hyg-wa9d · Snapshot retrieved 2 November 2026 · CC BY-SA 4.0

32 departments contribute records; Bogotá is unavailable. Absent department-week rows are not inferred zeros.

Closed years do not establish complete capture. Week 53 occurs only in 2020. Figure: Brandon Huynh.
